

Book Club Contract

I understand that being a part of a book club is important to my growth as a reader.

I understand that in order to participate fully in discussion and to complete assignments, I need to read the assigned chapters or pages every day.

I understand that I need to come to discussions with ideas to share and to participate in the group talk.

I understand that it is my responsibility to have my book in school every day.

If I do not have my book or I did not complete the assignment, I understand that I will receive a warning the first time and will need to catch up to my group for the following day.

If I forget my book or do not do the assignment more than once, I will be removed from the book club and complete written responses for the assigned reading.
